Revised instructions of the Government of India regulating the grant to officers lent for employment in Native States of any privileges and concessions in addition to substantive pay.

No. 4622-I.B.

GOVERNMENT OF INDIA.

FOREIGN DEPARTMENT.

RESOLUTION.

Calcutta, the 5th December 1907.

READ—

The Resolution of the Government of India in the Foreign Department, No. 1745-G., dated the 18th August 1905, and the rules contained therein on the subject of the acceptance of easements by officers of Government whose services are lent to Native States.

Despatch from His Majesty's Secretary of State for India, No. 68-Political, dated the 14th June 1907.

Resolution.—In supersession of the rules promulgated with Foreign Department Resolution No. 1745-G., dated the 18th August 1905, the Government of India are pleased to direct that, in the exercise of the powers conferred by Article 753, Civil Service Regulations, in the matter of the transfers of officers of Government, under foreign service conditions, to Native States, the following instructions shall be observed regarding the grant to them of any privileges and concessions in addition to substantive pay.

I.—When the loan of an officer's services for employment under a Native State is sanctioned, the salary which it is proposed that the officer shall receive shall be precisely specified: and, if it is desired that he shall receive any remuneration or emolument in addition to his salary proper, the exact nature and value thereof shall be detailed in the orders approving his transfer to foreign service. No officer will be permitted to receive any remuneration or emolument, whether in cash or otherwise, other than as may be expressly enumerated in the order of sanction. If the orders are silent as to any particular form of remuneration, the intention is that it shall not be received.

II.—The concessions which may be sanctioned by a Local Government, in those cases in which it has the power under the rules in the Civil Service Regulations of sanctioning the transfer of an officer to service under a Native State, are as follows:—

(*i*) Contributions towards leave and pension under the ordinary rules of the Civil Service Regulations.

(*ii*) Exchange compensation allowance in the case of officers who were in receipt of it prior to the loan of their services to the Native State and to whom the State desires to grant it.

(*iii*) Travelling allowance under the ordinary rules of the Civil Service Regulations or under the local rules of the Darbar if these are not more favourable. This does not extend to the grant of a fixed monthly travelling allowance, which may not be granted in any case without the previous sanction of the Government of India, but conveyance and horse allowances may be granted in special cases where the circumstances so require.

(*iv*) Tents, boats, and transport on tour, under circumstances in which they would ordinarily be sanctioned in the case of an officer of corresponding position in British India, and on a similar scale, and subject to the rules of the Civil Service Regulations as to travelling allowance, &c. As an exception to this rule, a more extensive scale may be sanctioned for Indian officers only, provided that a reasonably equivalent reduction of the travelling allowance admissible under the ordinary rules is at the same time directed.

(*v*) Free quarters to both European and Indian officers—

(*a*) when an officer of corresponding position in British India would be entitled to such a concession;

(*b*) when an officer is employed as a tutor, private secretary, or resident medical attendant, provided that such addition to his total emoluments is duly considered in fixing an appropriate rate of pay to be drawn by him;

(*c*) otherwise, and provided always that the concession is considered in determining an appropriate rate of pay—

(1) to a European officer, only if no other houses but such as are the property of the Darbar are available and the State is unwilling to accept rent;

(2) to an Indian officer, if having regard to the nature of his appointment such a concession is in accordance with local custom and the wishes of the State.

When quarters are occupied which are the property of the Native State, whether free or on the payment of rent, reasonable repairs to them may be effected at the cost of the State, but all material additions or alterations should receive the special sanction of the Local Government in each case.

(*vi*) Free furniture in quarters which are the property of the State to Indian officers, and in the case of European officers, only when employed as a tutor, private secretary or medical officer resident with a Chief, and only if in accordance with local custom and the wishes of the Darbar. The value of the concessions shall be considered in determining an appropriate rate of pay to be permitted to the officer concerned.

(*vii*) The use of Darbar carriages and animals by an Indian officer, and in the case of European officers, only when employed as a tutor, private secretary or medical officer resident with a Chief, if the concession is in accordance with local custom and the wishes of the Darbar and subject to consideration in determining the rate of pay to be allowed.

III.—The following concessions may not be sanctioned by a Local Government. If it is desired to recommend the grant of any of them, the orders of the Government of India should be taken:—

(*i*) Local and personal allowances.

(*ii*) Free quarters to European and Indian Officers under circumstances other than those provided for in paragraph II (*v*) above.

(*iii*) The use of free furniture by European Officers other than tutors private secretaries or medical officers resident with a Chief.

(*iv*) The use of Darbar carriages and animals by European Officers other than tutors, private secretaries or medical officers resident with a Chief, at head-quarters.

(*v*) Fixed monthly travelling allowances.

(*vi*) Any other concession not within the powers of sanction of the Local Government as stated in paragraph II above.

IV.—The following concessions are explicitly prohibited and will not be allowed in any case:—

Free provisions in any circumstances, and free lighting, fuel, fodder and supplies of any description at head-quarters.

V.—A copy of this Resolution should be forwarded by the Audit Officer concerned to—

(*i*) every officer of Government now in foreign service under any Native State;

(*ii*) every such officer who may now be on leave, immediately on his return from leave;

(*iii*) every officer whose services may hereafter be lent for employment in a Native State; in such cases the rules should be attached to the orders which it is the duty of the Audit Officer to issue regarding the payment of contributions for leave and pension;

(*iv*) every such officer now or hereafter lent for employment in a Native State whose engagement terminates and is renewed, on the renewal of his engagement.

L. W. DANE,
Secretary to the Government of India.

Government Circular.

Cases have recently come under notice in which Government Servants employed in Political Agencies have acquired immoveable property in British India for other than residential purposes without having obtained the previous sanction of Government to their doing so, as required by clause 3, Rule 9 of the Government Servants' Conduct rules, 1904. The excuse urged in each case was ignorance of the standing orders of Government on the subject.

2. His Excellency the Governor in Council accordingly desires that Political Officers will cause the —

attention of all Government servants in their respective political charges to be specially invited to the Standing Orders in question and will see that each Government Servant is in possession of a copy of the Government Servants' Conduct Rules, 1904.

FINANCIAL DEPARTMENT.

Bombay Castle, 7th July 1908.

Letter from the Accountant General, No. A.C.—2563, dated 2nd October 1906, to the Government of India, Finance Department :—

"In Foreign Department Resolution No. 1745 G. (Confidential), dated 18th August 1905, certain rules were promulgated for regulating the remuneration of officers in foreign service. The rules were expressly laid down for officers lent for employment by Native States, but a question has arisen as to whether they should be applied to cases of officers lent to Courts of Wards, Encumbered and other Estates under Government management.

"2. As the conditions of service in both cases are similar, it would appear that the rules should be equally applicable to all officers in foreign service of the first and second kinds. The Local Government, however, consider (*vide* their Resolution No. 7709, dated 13th August 1906, Revenue Department, copy enclosed) that the orders are clearly limited to officers employed in Native States only.

"3. I have therefore the honour to request that I may be favoured with the orders of the Government of India on the point."

Letter from the Government of Bombay to the Government of India, No. 4185, dated 5th November 1906 :—

"I am directed to submit, for the consideration and orders of the Government of India, the accompanying letter (with enclosure) from the Accountant General, Bombay, No. A.C.—2563, dated 2nd October 1906, regarding the question whether the rules promulgated in the Resolution of the Government of India in the Foreign Department, No. 1745-G. (Confidential), dated 18th August 1905, are limited to officers employed in Native States only or whether they are equally applicable to all officers in foreign service of the first and second kinds. The terms of paragraph 1 of the letter from the Government of India No. 1746-G., dated 18th August 1905 (Foreign Department), and the preamble of the rules referred to above clearly limit the orders to officers whose services have been lent to Native States."

Letter from the Government of India, Foreign Department, No. 2301-I.A., dated 4th June 1908 :—

"I am directed to refer to Mr. Barrow's letter No. 4185, dated the 5th November 1906*, enquiring whether the rules promulgated in the Resolution of the Government of India in the Foreign Department, No 1745-G., dated the 18th August 1905, are limited to officers employed in Native States only or whether they are applicable to all officers in foreign service of the first and second kinds.

* To the address of the Government of India in the Finance Department.

"2. I am to say that the rules contained in the Resolution† of the Government of India in the Foreign Department, No. 4622-I.B., dated the 5th December 1907, which have superseded those promulgated in the Resolution of the 18th August 1905 apply only to officers transferred, under foreign service conditions, to the Native States."

† Copy forwarded to the Bombay Government, Political Department, under endorsement No. 4623-I.B. of the same date.

RESOLUTION.—A copy of the letter from the Government of India should be forwarded to the Accountant General, with reference to his letter No. A.C.—2563, dated 2nd October 1906.

2. Copies of the letter should also be forwarded to the other officers concerned, for information, with reference to Government Resolutions, Revenue Department, No. 7709, dated 13th August 1906, and Political Department, No. 185, dated 10th January 1908.
